# KS3 Learning and Assessment Plan

## St. Mary's High School Key Stage 3 Learning and Assessment Plan

### My Learning Plan

The Learning Plan informs me about the new topic I am studying. It gives information on Key words I am learning, what skills I am developing and how I will be assessed.

**Learning Intention:** - This is what I am going to know, understand and be able to do at the end of the lesson.  
**Success Criteria:** - What I need to do to succeed in my assessments/work  
**Self Assessment:** - This is where I mark my own work against the agreed success criteria  
**Peer Assessment:** This is where I mark another students work against the agreed success criteria

### My Personalised Targets

In each of my subjects I have a Personalised Target %. This target is based on my score in my MIDYIS examination. Each assessment will be compared to this target and recorded as:  
 - Above - On - Below Target

2. 11th Dec. 2020 (Christmas test)

### Assessments

In each of my subjects I will have two types of assessments:

**Formative Assessments**
